

# Liar

## Emilie Autumn

I want to hold you to the sun  
I want to be your faithful one  
I want to show you all the beauty  
You don't even know you hold  
I'm hurting you for your own good  
I'd die for you, you know I would  
I'd give up all my wealth  
To buy you back the soul you never sold I want to mix our blood  
And put it in the ground  
So you can never leave  
I want to earn your trust  
Your faith, your heart  
You'll never be deceived Liar, liar, liar, liar  
Liar, liar, liar, liar  
Liar, liar, liar, liar  
Liar, liar, liar, liar  
Liar  
Liar I want to heal you pretty sweet  
I'll throw rose petals at your feet  
I'll spend eternity  
Comparing all my poetry to yours  
I want to see love through your eyes  
You'll never have to compromise  
I'd give up all my fame  
To fight your demons and your bloody wars I want to mix our blood  
And put it in the ground  
So you can never leave  
I want to earn your trust  
Your faith, your heart  
You'll never be deceived Liar, liar, liar, liar  
Liar, liar, liar, liar  
Liar, liar, liar, liar  
Liar, liar, liar, liar  
Liar

Are you suffering?  
Are you suffering?  
Are you suffering?

And put it in the ground  
So you can never leave
