

Round and Round

Selena Gomez

Round and round
Round and round
Round and round
Round and round You see me standing there
And act like you don't know me
But last night you were callin' me
Sayin' you want me Oh, why you always make me feel
Like I'm the one that's crazy?
You got my heart racin'
My, my heart racin' Boy, I need you here with me
We can't go on this way
I'm falln' hard for you
All I can say We're goin' round and round
We're never gonna stop
Goin' round and round
We'll never gonna get where we're goin' Round and round
Well, you're gonna miss me
'Cause I'm gettin' dizzy
Goin' round and round and round You try to pull me close
And whisper in my ear
You always tell me lies
I've cried out all my tears I've pushed my feelings to the side
But then you bring 'em back, b-bring 'em back Now you got me singin' Boy, I need you here with me
We can't go on this way
I'm falln' hard for you
All I can say We're goin' round and round
We're never gonna stop
Goin' round and round
We'll never gonna get where we're goin' Round and round
Well, you're gonna miss me
'Cause I'm gettin' dizzy
Goin' round and round and round Love me or love me not
I'm starin' at the clock
I picked them flower petals off
And then I watched them drop Love me or love me not
I'm starin' at the clock
I picked them flower petals off
And then I watched them drop Boy, I need you here with me
I can't go on this way

I'm falln' hard for you
All I can say Round and round
We're never gonna stop
Goin' round and round
We'll never gonna get where we're goin' Round and round
Well, you're gonna miss me
'Cause I'm gettin' dizzy
Goin' round and round and round Round and round
We're never gonna stop
Goin' round and round
We'll never gonna get where we're goin' Round and round
Well, you're gonna miss me
'Cause I'm gettin' dizzy
Goin' round and round and round
