

Pray and Don't Worry

G.I

Give me a mountain and I promise I'll move it
Show me a valley and I'll walk right through it
I aint worried!!! (No matter what is thrown at me)

Give me a hurdle, I'll jump right over
Like a game of limbo I'll get down lower
I aint worried!!! (I'm focused on my destiny)
Cause worrying only makes you feel as if you can't win!!!
And when you're feeling down remember you can

Pray and Don't Worry

Thank Him for the Victory! You got Authority, In Jesus (The Battle is over)

Pray and Don't Worry

Thank Him for the Victory! You got Authority, In Jesus (The Battle is over)

Put me in darkness and I'll be the light
Throw me in the ring and I'll show you a fight
I aint worried!!! (No matter what is thrown at me)

If I'm in trouble you'll get me in order
Push me out the boat and I'll walk on water!
Cause worrying only makes you feel as if you can't win!!!
And when you're feeling down remember you can
I aint worried!!! (I'm focused on my destiny)

And when you're feeling down remember you can Pray and Don't Worry

Thank Him for the Victory! You got Authority, In Jesus (The Battle is over)

Pray and Don't Worry

Thank Him for the Victory! You got Authority, In Jesus (You gotta know it!! The Battle is over)

If you praying (It's already done)
If you believing (It's already done)
Just trust Him, cause (It's already done! already done! already done!!)
If you praying (It's already done)
If you believing (It's already done)

Just trust Him, cause (It's already done! already done! already done!!)
