Walk You Home

The Features

We were watching the parade
When I thought I heard you say
That it wouldn't be so long
Before we would fall in loveAnd the band played 'na na na na na'Oh tonight
Streets are bright
Walk you home
Walk you ho ho ho ho home
Hold your hand
Hope I can
Walk you home
Walk you ho ho ho homeNa na da naWe were sitting all alone
While the party carried on
I was waiting for the chance
For the perfect circumstance
And the band playedOh tonight
Streets are bare
Walk you home
Walk you ho ho ho home
Hold your hand
Hope I can
Walk you home
Walk you ho ho ho homeba da na ta ja ya ga wa
