Fickle

Lodger

Useful phrase is always the truth
Eye for eye and tooth for tooth
Useful phrase is always the truth
Look at me, I'm living proof
Just how sweet can junk food be
How far can man see
Sports are a clever thing to watch
So are the daily stocks

This is my fate, the things I hate
Always on time and never late

Useful things I found amusing
Got it all without my choosing
Useful things that make me shiver
Push my brain down though my liver
Fickle human is always a liar
Fickle human now for hire
Fickle human, easy target
Fickle human, open market
