Burn

New Politics

(WHOA!)
Let's burn it down!
Just burn it burn it burn it!
(WHOA!)
Let's burn it down!
Just burn it burn it burn it down!
Your white lights show,
They're gripping down your face,
I don't give a damn, cause I'm your saving grace,
And I could care less if you pretend you don't hear me,
I'll burn this place down, before you can read me,
Let's burn this piece of sh*t down!
(WHOA!)
Let's burn it down!
Just burn it burn it burn it!
(WHOA!)
Let's burn it down!
Just burn it burn it burn it down!
The concrete tastes so sweet,
When the jungle grabs me by my feet.

Venus is dry, Neptune's wet.
Don't be shy, don't you forget.
Venus is dry, Neptune's wet.
Give it a try, you won't regret-
STOP.
(WHOA!)
Let's burn it down!
Just burn it let it burn!
(WHOA!)
Let's burn it down!
Yeah yeah yeah yeah yeah yeah!
(WHOA!)
Let's burn it down!
Just-Just let it, just let it burn!
(WHOA!)
Let's burn it down!
Down, down, down...
BURN. (Burn) BURN. (Burn)

BURN. (Burn) BURN. (Burn)
BURN. (Burn) BURN. (Burn)
BURN. (Burn) BURN. (Burn)
