

# Do I Scare You (with Billy MacKenzie)

## Shakespear's Sister

There goes the year  
In doctor's bills and sleeping pills  
Too many years  
Have I been interned  
I miss the flames  
In which I was burned When I say I miss you  
When I say I miss you  
Do I scare you?  
Do I scare you?  
Do I? I probably do I rest my case  
The child dies at thirty-five  
I could be lying here  
In the time it takes you to arrive  
I could be crying, I could be dying  
Oh, I could be lying When I say I miss you  
When I say I miss you  
Do I scare you?  
Do I scare you?  
Well, do I? I probably do You gave me nothing  
I asked for nothing  
And you gave me nothing  
But myself Didn't know what I was thinking  
But you didn't really care  
I'm gonna find that gun you bought me  
The one I'm holding just the way you taught me  
Hey, mister, I say listen mister  
That's my finger on the trigger When I say I miss you  
When I say I miss you  
Do I scare you?  
Do I scare you?  
Do I? I probably do  
I probably do
