

Never Be The Same

Christopher Cross

It was good for me
It was good for you
Now nothing either of us can say or do
Can change the way you feel tonight
Sometimes love just slips out of sight Just one thing before you go
Just one thing that you've got to know
No one will ever touch me that way
The way that you did that very first day And I'll never be the same without you here
I'll live alone and hide myself behind my tears
And I'll never be the same without your love
I'll live alone and try so hard to rise above The years go by
There's always someone new
To try and help me forget about you
Time and again, it does me no good
Love never feels the way that it should I loved you then, I guess I'll love you forever
And even though I know we could never stay together
I'll think of how it could have been
If we could just start all over again And I'll never be the same without you here
I'll live alone and hide myself behind my tears
And I'll never be the same without your love
I'll live alone and try so hard to rise above It was good for me
It was good for you
Now nothing either of us can say or do
Can change the way you feel today
Sometimes love just slips away Just one thing before you go
Just one thing that you've got to know
No one will ever touch me that way
The way that you did that very first day And I'll never be the same without you here
I'll live alone and hide myself behind my tears
And I'll never be the same without your love
I'll live alone and try so hard to rise above Repeat Chorus and fade
