

# A Brief Odyssey In Time

## Decrepit Birth

Eternity of futures begin again\*  
In the cusp of the sixth sun  
All lines of force re-converge  
Symbiotic energies reemerge in the...  
Quickening of time  
Finite spheres of consciousness  
Infinity of memories  
Re-awaken origins  
Evolution... the spawn of time  
Six suns... evolution of creation  
The cycles of time dissolve  
Life eternal... and time begins again
