Mama Coco

Gino Vannelli

Mama Coco, hey you're lookin' heavy
Mama Coco, ho you're lookin' good
Mama Coco, yes I've been getting hungry
Mama Coco, feed me woman food
Mama CocoI don't have fancy shacks or multi-colored Cadillacs
But I have three months of loneliness
So Mama, have a drink, relax
Mama, Mama, so glad to have you here
I love you, love you, Mama CocoMama Coco, such anticipation
Mama Coco, mam you're blowin' my mind
Mama Coco, I'm just a male Caucasian
Mama Coco, I'm virgin to your kind
Mama CocoI don't get paranoid
I ain't a horny little mongoloid
All I wanna, wanna, wanna have
Is a little bit of love and joyMama, Mama, so glad to have you here
I love you, love you, love you, love you, Mama Coco
MamaMama, Mama, so glad to have you here
I love you, love you, love you, love you, Mama CocoMama Coco
Mama Coco, hey you're lookin' heavy
Mama Coco, ho you're lookin' good
Mama Coco, Mama Coco, Mama Coco
