I gave that bitch a hundred dollars jus to leave me lone,
Tell the waitress bring mo bottles up cus she can keep the chaser,
Lil mama switchin' by my section she want me to chase her,
Nope,
Wasted on moscato, but I'm losin' my patience,
I'm tellin' her come go with me but all her home girls hatin',
Like Fred Flintstone,
I'm a rollin' stone,
My best friend is barney so you know I'm rollin' strong
Shawty in the zone,
Dressed with the thong,
Every nigga in the club tryna take her home,
Shawty in the zone,
Dressed with the thong,
And every player in the club tryna take her [Chorus]
A let's get stoned,
I'm so stoned,
Like Fred Flintstone,
I gotta partna' named barney and he keep me in the zone,
The whole club stoned,
The whole world stoned,
And tonight we bout to party like we jus' got home,
A let's get stoned,
Like Fred Flintstone,
I gotta partna' named barney and he keep me in the zone,
The whole club stoned,
The whole world stoned,
And tonight we bout to party like we jus' got home, Puts some grunts in air,
Whokus in the air,
Put ya lighter in the air if you tryna get stoned,
Tonight I'm puttin' on, I swear to god that's a 5,
Bitch I hit that high,
Yes I'm stoned,

Drinkin' on Obama,
It's rainin' white liquor,
Gucci pass the dutchess,
I don't do no swishers,
Rock yellow stones,
Rock red stones,
Bitch my money long, poppin' pills, and blowin' strong,
I'm a stone cold flexer,
Steve Austin stunna, and because her man I'm gone,
Stoned,
In my zone, hater leave me alone,
Be gone,
Bird chains in the air,
Screamin' as I yell,[Chorus]Wen you hear this song,
The crowd gone be jumpin' up and down,
Screamin' up stoned,
White remy martin can't drink patron,
Lost my keys I can't even make it home,Everybody in here gone,
I'm white, I'm goin' stone,
My dogs jus' came home,
Ball like the georgia dome,
Thinkin', it's back on,
Drinkin, up that patron,
It's ova, I'm loaded, we toasted, we grown,[Chorus]
