I'll Be Alright

Stiv Bators

It's time for me
To let you know
I am so glad
That I have you
Through all this years
I am so thankful

Now that I've grown
I'll always be thinking of you
With all the things you taught me so
Always remember

I'll be alright
I'll be OK
I will be good in learning all the way
All from the heart
These things I do
I'll make you proud because i love you
I'll be alright
I'll be OK
I will be fine and I'll be good all the way
All from the heart
These things I do
I'll make you proud because I do
I love you so

I will stand tall
And I'll try not to fall
As i reach all of my goals
I will go on
And I will move on
All because of you
For you

I'll be alright
I'll be OK
I will be fine
And I'll be good all the way
All from the heart
These things I do

I'll make you proud because i love you
I'll be alright
I'll be OK
I will be fine
And I'll be good all the way
All from the heart
These things i do
I'll make you proud because i do
I love you so
I love you so
I love you so
