

# Once Around the Weekend (alternate mix)

**Paul Westerberg**

I stay in every night of the week  
They try but I won't speak  
To be my friends  
You'll see me once I'm on the mend  
Oh man once around the weekend  
Oh man once around the weekendI watch myself fall apart  
I watch the rabbits in my yard  
There goes another round the bend  
I gotta sweep this floor againWell I won't go out to relax  
And if you look hard you might see my tracks  
They call and try and be my friends  
I gotta sweep this floor again  
Oh man  
Oh man
