

Pork Roll, Egg and Cheese

Ween

When you've had your fun, and your work is done, you must not succumb
I can feel you breathe, it's like a mega-wedge inside, please don't hide So momma, if you please, pass me the
pork roll egg and cheese
If you please, on a kaiser bun
Momma, if you please, pass me the pork roll egg and cheese
If you please, on a kaiser bun When the guava's drained, Eddie Dingle remains
But we must further ourselves on
So dynamic is life, staring into the sight's
Not right, but wrong in a good way So momma, if you please, pass me the pork roll egg and cheese
If you please, on a kaiser bun
Momma, if you please, pass me the pork roll egg and cheese
If you please, on a kaiser bun When you've had your fun, and your work is done, you must not succumb
I can feel you breathe, it's like a mega-wedge inside, please don't hide So momma, if you please, pass me the
pork roll egg and cheese
If you please, on a kaiser bun
Momma, if you please, pass me the pork roll egg and cheese
If you please, on a kaiser bun
Momma, if you please, pass me the pork roll egg and cheese
If you please, on a kaiser bun Kaiser bun
Pork roll egg and cheese
(Zzzz, eeezz
That's the end
That's it, dudes
Thanks, Five)
