Misses Glass

Leona Lewis

See I try to hide the fact
That I am just a fragile individual, so
I give off this facade that I'm so hard
When in fact I'm far from unbreakableI'm so afraid to talk and express myself
Keeping all my feelings bottled inside
Of this softer shell that I call my heart
Cuz I can't let love back in againOh I wish I knew love was cold
Before I believed
Cuz I went head on with this storm
Like lightning gone insaneThere's none left at all
So I guess I should feel fortunate
But I dont feel that way
Love's not in my heart
Cuz see love has left me brokenBroken like glass
Broken like glass
Broken like glass
So if you see me you can call me
If you see me you can call me Misses GlassNow after all the lying to myself
I'm stuck feeling miserable
I had forced myself to be somebody else
Making me seem invisibleSee I'm a lover like any other woman
And sometimes I get emotional
And it might seem hard to understand
Where I'm coming from
And you might never ever knowOh I wish I knew love was cold
Before I believed
Cuz I went head on with this storm
Like lightning gone insaneIt's way too late now
There's none left at all
So I guess I should feel fortunate
But I dont feel that way
Love's not in my heart
Cuz see love has left me brokenBroken like glass
Broken like glass
Broken like glass
So if you see me you can call me
If you see me you can call me Misses GlassSo if you see me you can call me
(See love has left me broken like glass)
If you see me you can call me Misses GlassSo if you see me you can call me

(See love has left me broken like glass)
If you see me you can call me Misses GlassBroken like glass
Broken like glass
So if you see me you can call me
If you see me you can call me Misses Glass
Misses Glass
Broken, broken
So if you see me you can call me
If you see me you can call me Misses Glass
