

# Gone Crazy

## Marcy Playground

Come back and be  
Come back for free  
Come back and stay, child  
Have you gone crazy? Molly, it must be fine  
It seems so dreamy to be sublime  
And Molly has gone to Spain  
Has gone with Venus to watch the rain And it seems that's not  
The place where you belong  
And it seems that's not  
The place where you belong When there's no sun  
And there's no moon  
And there's no stars, child  
Have you gone crazy? Come back and be  
Come back for free  
Come back and stay, child  
Have you gone crazy? Molly, it must be fine  
It seems so dreamy to be sublime  
And Molly the whippoorwill  
Has gone to space boy  
She is there still When there's no sun  
And there's no moon  
And there's no stars, child  
Have you gone crazy?
