

# Cry

K. Michelle

Yeah, yeah  
Nobodies off limits  
Not even your friends  
I'm about to go in, about to go in, about to go in  
I'm gon do something I never do,  
I'm a try and hurt you too  
Feels so damn good to be cold  
And I don't even care if you know I'm a let him kiss my body, touch my body  
Record and make sure you find it  
How you gone trip?  
Boy, you've been with everybody  
You started, I'm a finish!  
You made that bed, now you gone lay in it  
You gone suffer, you gone suffer  
For everything you did  
You gone suffer, you gone suffer  
I done took to much of this You gone cry, you gone pay me in tears  
You gone cry, you owe me for all these years  
You gone cry  
'Cause it's not about love,  
It's all about revenge, so cry! Cry! I've learned from the best, I've learned from you  
It's easy to do the shit that you do  
I could just switch it up on ya  
Used to be me, that was out here stressing  
So give what came and cares  
Now you missed your blessings  
You gone suffer, you gone suffer  
For everything you did  
I'm not bitter, stay with her  
Maybe she can take your shit You gone cry, you gone pay me in tears  
You gone cry, you owe me for all these years  
You gone cry  
'Cause it's not about love,  
It's all about revenge so cry, cry I deserve to get my point across,  
Before all we had was lost  
Now we are both hurt by the one we love  
I know it's wrong but I want to see you cry  
Cry, cry, cry, cry  
You gone cry, you gone pay me in tears

You gone cry, you owe me for all these years

You gone cry

'Cause it's not about love,

It's all about it revenge,so cry!
