It's Me

Joe Wise

If you hear a voice a-whistlin'
Outside your window, baby
It ain't a robin or a bluebird, it's me
If the postman brings a package
With big hearts on the wrapper
And you wonder who it came from, it's me
Who loves you, baby?
Please don't think I'm crazy
If I go to the extreme
There ain't nothin' I won't do
To hear you say you love me too
Say it's me
If you see a plane fly over
Pullin' a big banner
And the letters spell I love you, it's me
If you hear a DJ
Send a love song out to your name
From a guy who's wild about you, it's me
Who loves you, baby?
Please don't think I'm crazy
If I go to the extreme
There ain't nothin' I won't do
To hear you say you love me too
Say it's me
Who loves you, baby?
Please don't think I'm crazy
If I go to the extreme
There ain't nothin' I won't do
To hear you say you love me too
Say it's me
