Marry Me

Exit 159

I don't wanna be a housewife
don't wanna do your laundry
and I don't want to see your face
when you've been onery
but it could be so special
it would be like magic
we could be together
I would be so happy
marry me, change my life
marry me, it would be so nice
marry me, I need your touch
you said no, you drink too much
just another situation
just something that I've been in
and you scoot a little closer
baby, baby
and when I ask you questions
all you want is answers
and do I, I love you
maybe, maybe
