

# How You've Changed

**Chuck Berry**

Gee, you've changed since the day you told me your name  
Yes, you've changed, your kisses don't feel the same  
How, you've changed, our romance to play from dance  
First you told me that you loved me and I believed  
Then you sold me with the vow that you never leave  
Now you scolded me, caring not how my heart grieves  
Hmm, how I loved you, since the day you told me your name  
Yes, I loved you, thinking you all the wild that I was  
And I still love you, even knowin' I know you've changed.
