

Life

Bob Sinclar

Don't you wanna go with me
And sing my song? Hey hey, yeah
Come and sing my song
Come and sing my song
Come and sing my song
So sexy, go crazy, my baby
No maybe if you want me so sexy
Come and sing your song
You're so sexy, oh my baby
If you want me
Come and sing my song
Pretty young babe
Cost you nothing, take a chance
If you sing my song
I got something
If you want it, you can have it
If you sing my song
Hey sexy lady
Let's go crazy, ain't no maybe
If you sing my song
Sing my song, come on
Sing my song, come on
Sing my song, come on
Sing my song, come on
Sing my song, come on
Sing my song, come on
Sing my song, come on
Sing my song, come on
Sing my song, come on
Give it to me
Give it to me
Give it to me
I want you too
Give it to me
Give it to me
Give it to me
Come show me
Give it to me
Give it to me
Give it to me

I want you too
Give it to me
Give it to me
Give it to me
Come on
Come on, it on, I work hard for
On a Saturday night
And our future looks so
Live your life
Music is in all of our eyes
Shining ride
Love each other all this night
And maybe your last night
Don't you wanna go with me?
You sing my song
Come and sing my song
Come and sing my song
Come and sing my song
You're so sexy, oh my baby
If you want me
Come and sing my song
Pretty young babe
Cost you nothing, take a chance
If you sing my song
I got something
If you want it, you can have it
If you sing my song
Hey sexy lady
Let's go crazy, ain't no maybe
If you sing my song
Give it to me
Give it to me
Give it to me
I want you too
Give it to me
Give it to me
Give it to me
Come show me
Give it to me
Give it to me
Give it to me
I want you too
Give it to me
Give it to me
Give it to me

Come on
