Ockham's Messer

Armored Theory

'Could it be?'
Is not reality
Truth is drowned
In possibility
Explanations
Abound in life
Rise above
And bare your knifeWhen faced with many
Embrace the lesser
Cut down to the bone
Ockham's Messer
Ockham's MesserOverwhelming
Philosophy
Solace hiding
In simplicity
Fallacies
Forever made
Preserve sanity
And bare your bladeWhen faced with many
Embrace the lesser
Cut down to the bone
Ockham's Messer
Ockham's MesserAn armored theory
Stands the Razor's test
Logic unbound
By what sells the best
A call to arms
A chance at life
Unified
We'll bare our knivesWhen faced with many
Embrace the lesser
Cut down to the bone
Ockham's Messer
Ockham's Messer
