

Leonora

Hercules and Love Affair

Leonora you are missed by the sun
I miss you too
So when the moon is done
Speak to me baby
Help me see the light
That light that you know so well
You soldier of the night Come out and play (and play)
Come out and play (and play)
Kiss me on this day (kiss me)
Kiss me on this day (kiss me) You gave me 77 reasons to love you that night
In you I saw your fire
In you I saw your fight
I love the way you walk
And that you take it slow
I want that patience, too
I need to learn it so Come out and play (and play)
Come out and play (and play)
Kiss me on this day (kiss me)
Kiss me on this day (kiss me)
