Emelia

Colin Devlin

Oh Emelia, where does the time go?
Leaves are falling and it's snow
You will grow up and you will fall in love
And see a world I'll never know

Oh Emelia

Oh Emelia the stars are out tonight
And each one of them has a name
When you look up, do you realize
The bear is talking to the moon

Oh Emelia, where does the time go?
You can't pretend it doesn't show
You will grow up and you will fall in love
And change a world I'll never know

It's true
It's true
It's true
It's true
Yeah, it's true (ooooh)
It's true (ooooh)

Oh Emelia, where does the time go?
Emelia (where does the time go?)
