

# Emelia

Colin Devlin

Oh Emelia, where does the time go?  
Leaves are falling and it's snow  
You will grow up and you will fall in love  
And see a world I'll never know

Oh Emelia

Oh Emelia the stars are out tonight  
And each one of them has a name  
When you look up, do you realize  
The bear is talking to the moon

Oh Emelia, where does the time go?  
You can't pretend it doesn't show  
You will grow up and you will fall in love  
And change a world I'll never know

It's true  
It's true  
It's true  
It's true  
Yeah, it's true (ooooh)  
It's true (ooooh)

Oh Emelia, where does the time go?  
Emelia (where does the time go?)
