Maybe

Toni Braxton

Is it the night that you take control of me
Tell me boy, what's it really gonna be
Spending time for a while
Oh daddy come close
I'm straight, I'm feelin' your styleI love the way you make me feel
When you keep it real when you're holdin' me
When you're spoonin' me
When you look sexy when you're touchin' me
When you're bumping me gentlySittin' here waitin' in my Vicky's
In the mirror imaging you're with me
Petit Cheri and I'm smelling real nice
And Jouet cold chillin' on iceComing over at a half past ten
And I'm wonderin' if I'm really gonna
Let him in, give in, give it up
Let it go or tell him noShould I just give him some?
Maybe
Is this the night for fun?
MaybeHere it is and he comes right in
And I fix us drinks and I start to think
About what I'm gonna do
Will a brother be true?
Will he size my body up and down?Can he beat the odds?
Can he play it safe?
Will he make me hot?
Will he hit the spot that I love a lot?
Will he leave me hangin' lonely desperately?Will he go and tell all his friends?
That we did it and we did it again
Had me weak between the sheets
Will he say I was a real big freak?Maybe I should slow it down
Cool off my flow, relax
And let him know if this get out
No more, no glove, no love, oh noShould I just give him some?
Maybe
Is this the night for fun?
MaybeShould I just give him some?
Maybe
Is this the night for fun?
MaybeMaybe, pretty baby
Love me like a ladyShould I say yes or no?

Should I just let it go?
Should I slow down my roll?
Let me think 'cuz I really don't know
Don't know what to do about it babyShould I say yes or no?
Should I say yes or no?
Should I say yes or no?Yes or no, yes or no?
Yes or no, yes or no?
Yes or no, yes or no?Should I just give him some?
Maybe
Is this the night for fun?
MaybeShould I just give him some?
Maybe
Is this the night for fun?
MaybeShould I say yes or no?
Should I say yes or no?
Should I say yes or no?Yes or no?
Yes or no?
Yes or no?
