

# Back to You

Tim Bowman Jr

I see the 've done  
Now 've hurt the One who gave me love  
Even though I tried to save myself  
I can never overcome, but  
You never left me on my own  
Alone, Alone, I'm lost  
I won't know why I'd run from the truth  
So, am coming back coming back to you  
I need forgiveness for my soul, yeeeah yeah  
Give me redemption make me whole  
Even though I tried to stop myself  
I can never overcome, and  
You still walk with me when I run  
Alone, Alone, I'm lost  
I won't know why I'd run from the truth  
So, am coming back coming back to you  
And they say the one You love  
Dont ever leave You  
Though at times they fall too far away to see  
Alone, Alone, I'm lost  
So, am coming back coming back to you  
Oh Oh Oh Oh Oh Oh  
I need forgiveness for my soul
