

Better Waste Of Time

Sick Puppies

This step I bet youâ€™d think Iâ€™d forget
But I couldnâ€™t look away like an accident
Somebody left no survivors
Canâ€™t believe what an idiot I was
I said I said you were the one
I guess itâ€™s easier said than it was done
I wonâ€™t buy but itâ€™s you I sold
You turn on me for truth be told

This is the last goodbye
So Iâ€™ll keep searching, searching until I find
A better waste of time
Save your words, Iâ€™ll save my life
And if Iâ€™m searching, searching until I die
Itâ€™s better waste of time

Gloves off, itâ€™s better to feel for me
Iâ€™m not afraid of catching your disease
What you got shouldnâ€™t cut like cancer
Leaving you was my only answer
It might be hard it must admit
Nothingâ€™s better in bed than a crazy bitch
I tried hard to make everything work
But when you miss me I hope it hurts

This is the last goodbye
So Iâ€™ll keep searching, searching until I find
A better waste of time
Save your words, Iâ€™ll save my life
And if Iâ€™m searching, searching until I die
Itâ€™s better waste of time

This is the last goodbye
So Iâ€™ll keep searching, searching until I find
A better waste of time
Save your words, Iâ€™ll save my life
And if Iâ€™m searching, searching until I die
Itâ€™s better waste of time
