Giza Butler

Sleep

From the pallet walled temple, beneath the overpass
Chalice smoke exhalation engulfs the freeway up above
Up from the milk crate throne, on the Sabbath Day walks aloneDown to the bosque on day of Iommic Pentacost
Helms the shopping cart chariot along the access roads arroyo
Cart moored to tree
Proceeds the Creek HippyThe rifftree is risen the bong is to live in
An ounce of day, lightens the way
Salutations to the cultivators
The Kiefsatz Hasherach now takes the Bong Jabbar
Rifftual commences 'round the tree stump altar
Bong Water of Life anoints the Muad' Doob messiahThe pterodactyl flies again
O'er emerald fieldsThe CBDeaconMarijuana is his light and his salvation
Harvest sustains the altitude within
Ends the rationing hocks the Ohaus Triple Beam
The chalice cup billows as the freedom song sung
Ascends to the shanty with the smoke filled lung
Bless the indica fields
Grateful for the yield
