

Hair

Tiffany Evans

I'm in disarray
I'm un-count
N I love you sugar
Yay this is what u do
When you run your fingers threw my hair
In the morning I'm feeling like a sexy super star
Woah woah u were at my party wanna make me say
Ur the only one that keeps me singing la la la
I like to smell your t-shirt
I like the way you are
But most of all I likey likey I like what you do to my hair.
Who knew that looking a mess could feel so good
I like what u do to my hair
Tussle it, tease it, run your finger threw it while u do
Now gone mess it up, mess it up, baby mess it up, mess It up, mess it up, do it till I can't get enough boy
I like what u do to my hair.
Who knew that looking a mess could feel so good I'm in imperfect
So un me
But I love it sugar
See this is what u do
You give my ponytail a sage
My bangs are laughable
But I don't mind
Cause I think its kinda super cool
Woah woah u weer at my party wanna make me say
Your the only one that keeps me singing la la la
I like to smell your t-shirt
I like the way u r
But most of all I likey likey I like what u do to my hair.
Who knew that looking a mess could feel so good
I like wa u do to my hair
Tussle it, tease it, run your finger threw it while u do
Now gone mess it up, mess it up, baby mess it up, mess It up, mess it up, do it till I can't get enough boy
I like what you do to my hair.
Who knew that looking a mess could feel so good ah ah ah ah ah ah ah ah
Tonight I'm gonna fix it up real nice
Not sure if I should have curls
Cause I want u mess it up
I put on and go
Cause I want u no
I'm got your name on my heart

Your wicked baby
And I like the way u do it baby I like what u do to my hair.
Who knew that looking a mess could feel so good
I like what u do to my hair
Tussle it, tease it, run your finger threw it while u do
Now gone mess it up, mess it up, baby mess it up, mess It up, mess it up, do it till I can't get enough boy
I like what you do to my hair.
Who knew that looking a mess could feel so good
