

# Light It Up

## for KING & COUNTRY

Sunset stole the light  
That colored in your eyes  
And everything in sight was lost in silhouette  
You're lost in silhouetteLight it up and let it go  
Don't you see that you are not alone  
Light it up and watch it fly  
'Cause you can go anywhere you want tonightLight it, light it up  
Light it, light it upI can wear the weight  
And take it all the way  
But every creatures fate  
Is theirs and theirs alone  
It's yours and yours aloneSo light it up and let it go  
Don't you see that you are not alone  
Light it up and watch it fly  
'Cause you could go anywhere you want tonight, yeahLight it, light it up  
Light it, light it up  
Light it, light it up  
Light it, light it upLight it up and watch it fly  
'Cause you could be anything you want tonight'Cause can be a beautiful morning  
Yes, it can be a beautiful morning, ohEverything you never said  
And everything you thought instead  
And everyone you never knew  
And everywhere you're going toAnd every song you wanna sing  
And every smile as it begins  
It's yours and yours alone  
Yes, it's yours and yours alone  
Yes, that is yours and yours aloneSo light it up and let it go  
Don't you see that you are not alone  
Just light it up and watch it fly  
'Cause you can go anywhere you want tonightLight it up and let it go  
Don't you see that you are not alone  
Light it up and watch it fly  
'Cause you could be anything you want tonightIt could be a beautiful morning  
It could be a beautiful morning  
'Cause it could be a beautiful morning
