The Hills Have Eyes

Blitzkid

Hey they're watchin' me I don't know why
Hey they're watchin' me in scenic disguise
Hey they're watchin' me blacken up the sky
Hey they're watchin' me the hills... they have eyes.(chorus)
Shut your eyes
Hold on tight
Don't turn aroung
You're in their sightHey do you feel their stare riding on the breeze
Hey do you hear their laughter in the trees
Hey something in the ground is gonna rise
Hey take one last breath, these hills, they have eyes!
(chorus)
