Eavesdrop

The Civil Wars

I don't want to talk right now
I just want your arms wrapped around
Me in this moment
Before it runs out

Oh don't say that it's over
Oh no say it ain't so
Let's let the stars watch
Let them stare
Let the wind eavesdrop
I don't care
For all that we've got, don't let go
Just hold me

I canâ€TMt pull you closer than this
Itâ€TMs just you and the moon on my skin
Oh who says it ever has to end
Oh donâ€TMt say that itâ€TMs over
Oh no say it ainâ€TMt so

Let's let the stars watch
Let them stare
Let the wind eavesdrop
I don't care
For all that we've got, don't let go
Just hold me

Let's let the stars watch

Let them stare

Let the wind eavesdrop

I don't care

For all that we've got, don't let go

Just hold me Just hold me Just hold me Just hold me Just hold me
