You Don't Know Me

Victorious

You think you know me
But you don't know meYou think you own me
But you can't control meYou look at me
And there's just one thing that you see
So listen to me
Listen to meYou push me back
I push you back
Harder, harderYou scream at me
I scream at you
Louder, L-L-L-L-LouderI'm dangerous
I'm warning you
But you're not afraid of me
And I can't convince you
You don't know meYou think you got me
But you don't get meYou think you want me
But you don't know what you're getting intoThere's so much more to me
Than what you think you see
So listen to me
Just listen to meYou push me back
I push you back
Harder, harderYou scream at me
I scream at you
Louder, L-L-L-L-LouderI'm dangerous
I'm warning you
But you're not afraid of me
And I can't convince you
You don't know meAnd the longer you stay
The ice is meltingAnd the pain feels okay
Feels okay (Heyy)You push me back
I push you backYou scream at me
I scream at you
Louder x9You push me back
I push you back
Harder, harderYou scream at me
I scream at you
Louder, L-L-L-L-LouderI'm dangerous
I'm warning you
But you're not afraid of me
And I can't convince you

I don't have toI think you know me
