

# You Don't Know Me

## Victorious

You think you know me  
But you don't know me You think you own me  
But you can't control me You look at me  
And there's just one thing that you see  
So listen to me  
Listen to me You push me back  
I push you back  
Harder, harder You scream at me  
I scream at you  
Louder, L-L-L-L-Louder I'm dangerous  
I'm warning you  
But you're not afraid of me  
And I can't convince you  
You don't know me You think you got me  
But you don't get me You think you want me  
But you don't know what you're getting into There's so much more to me  
Than what you think you see  
So listen to me  
Just listen to me You push me back  
I push you back  
Harder, harder You scream at me  
I scream at you  
Louder, L-L-L-L-Louder I'm dangerous  
I'm warning you  
But you're not afraid of me  
And I can't convince you  
You don't know me And the longer you stay  
The ice is melting And the pain feels okay  
Feels okay (Heyy) You push me back  
I push you back You scream at me  
I scream at you  
Louder x9 You push me back  
I push you back  
Harder, harder You scream at me  
I scream at you  
Louder, L-L-L-L-Louder I'm dangerous  
I'm warning you  
But you're not afraid of me  
And I can't convince you

I don't have to I think you know me
