

Trick Bag

Teena Marie

Here we go, ugh
Personality walk, personality talk
Personality you got it
Loving on the Eastside, loving on the Westside too
Oh, I can tell by the way that you stare
There's more there
Than what meets these two eyes of, Baby
And you'd like to have fun, but you're under the thumb
Of another lady like me You're in a trick bag, and it's kind of a drag
You're in a trick bag, and it's kind of a drag
It's kind of a drag
Trick-Trick Bag
Trick-Trick Bag Irresistible walk, irresistible talk
Irresistible, hands on it
Loving on the weekends, loving on the weekdays too
Oh, I can tell by the way that we met
There's more yet
And it's all coming to the light
And you had it all timed, you know your heart and mine
As they beat double-time that night I'm in your trick bag, and it's kind of a drag
I'm in your trick bag, and it's kind of a drag
It's kind of a drag
Trick-Trick Bag, personality walk, personality talk
Trick-Trick Bag, irresistible walk, irresistible talk
Kind of a drag when you're in a trick bag, oh And there's no way for you to get out
Didn't you know that I want to get out
Out of your bag
Kind of a drag in a trick bag, oh
Kind of a drag in a trick bag, oh
Kind of a drag when you're in a trick bag
Kind of a drag in a trick bag, oh
Kind of a drag in a trick bag, oh
Kind of a drag in a
Trick-Trick-Trick-Trick-Bag
Trick Bag, and it's kind of a drag
It's kind of a drag
I'm in your trick bag, and it's kind of a drag
I'm in your trick bag, and it's kind of a drag You are the cat, you know you're the cat
Whenever you get in a fix you reach inside

Your bag of tricks
Yes, you are the cat, you know you're the cat
Whenever you get in a fix you reach inside
Your bag of tricks and trick
Trick Bag, Tricks are for kids
Trick-Trick Bag, Cat Daddy
Trick-Trick Bag, let the kitty out of the bag
