Look At You Look At Me

Dave Mason

Looking all around me what do I see
Lots of changing faces and lots of things to be
But I'm happy just to be a part of all I see
As I turn round to look at you
And you look back at meThere isn't time to hang around
Anymore
So fill your heart with lovin'
And open up the door
Someone's calling out to you
And that's what love is for
As I turn round to look at you
And you look back no moreI'm feelin' up
I'm feelin' down
My head's been twisted
All around
But now my feet
Are on the ground
For everyone to seeThere's many ways to reach you
Though you're far away
All the little things we do
The little things we say
I miss you like I miss the sun
I need you every day
As I turn round to look at you
And you look back my wayLooking all around me what do I see
Lots of changing faces and lots of things to be
But I'm happy just to be a part of all I see
As I turn round to look at you
And you look back at meI'm feelin' up
I'm feelin' down
My head's been twisted
All around
But now my feet
Are on the ground
For everyone to see
