

You Remind Me

David Correy

[Chorus]

You remind me of my boo but she ain't you
See every time a nigga get involved, I can't leave you
You got me dodging lames like bullets for your lovin', girl, I swear
I swear this is why I can't keep fuckin' with you[Verse 1]
Same time, every night, a nigga come through
Put it on silent 'cause you know I got a boo
Swimmin' lessons I provide, let me show you
Hey let me show you, baby, let me show you
I'm just tryna suck you down like my vocals
So we 'bout to mix these long sessions like we pro tools
So so light in the pussy way I talk to you
Barkin' at the kitty, hopin' you can take all this
Consistin' with the missile
Had to dismiss border, baby girl, there's no issue
Give you good head like a detail
I know you feel it babe, I know my fear real
For a second I was stuck, but now I'm cool
I was blinded by that bullshit, you put me through[Chorus]
You remind me of my boo but she ain't you
See every time a nigga get involved, I can't leave you
You got me dodging lames like bullets for your lovin', girl, I swear
I swear this is why I can't keep fuckin' with you[Verse 2]
Know it's so wrong but it feel right
Swearin' to myself, this my last night
But every time I get it in, the crib tight
Bust my mind frame like it's alright
Baby, I'm sprung
Like maybe you the one
Heart beatin' like a drum
Heart beatin' like a drum
You got me locked like a pick do
But baby girl, baby girl, I'm tryna shake you
Textbook lovers, tryna read you
Deep thought, thinkin' do I need you[Chorus]
You remind me of my boo but she ain't you
See every time a nigga get involved, I can't leave you
You got me dodging lames like bullets for your lovin', girl, I swear
I swear this is why I can't keep fuckin' with you[Outro]

No I can't but I wanna
No I won't but I'm gonna
'Cause once I'm inside, I feel alive
Alive
This is why I can't keep fuckin' with you
