

# Wasted Days Wasted Nights

## Ekolu

Wasted Days and wasted nights  
I had left for you behind  
for you don't belong to me  
your heart belongs to someone else

why should i keep loving you  
when I know that your not true  
And why should I call your name  
When your the blame  
or making me blue

Don't you remember the day  
that you went away and left me  
I was so lonely  
crying for you only  
my love

Why should I keep loving you  
when I know that your not true  
And why should I call your name  
When your the blame  
or making me blue

(music)

Don't you remember the day  
that you went away and left me  
I was so lonely crying for you only  
my love

Why should I keep loving you  
when I know that your not true  
And why should I call your name  
when your the blame  
or making me blue
