

# Miracles

## Audio Adrenaline

It doesn't matter what the world says  
I've seen what you can do  
I know it's more than just coincidence  
It's amazing how you move  
It's not always parting oceans  
Sometimes it's the little moments  
When you show how close you are  
Some would say it's only chance  
I'm not gonna second guess  
I've seen the hand of God 'Cause I believe in miracles  
You can do the impossible  
Every single heartbeat means  
There's a God who's in control  
And I know that I'm not alone  
Even when it's difficult  
Your love is all the proof I need  
You're the God who won't let go  
I believe in miracles  
I believe in miracles I wasn't there to see you give life  
To a dead man in a grave  
But I have been the one revived  
Within your perfect grace  
It's not always sings and wonders  
I know when your children suffer  
You're the light that leads us on  
Some would say it's only chance  
I'm not gonna second guess  
I've seen the hand of God 'Cause I believe in miracles  
You can do the impossible  
Every single heartbeat means  
There's a God who's in control  
And I know that I'm not alone  
Even when it's difficult  
Your love is all the proof I need  
You're the God who won't let go  
I believe in miracles  
I believe in miracles You can speak and calm the waters  
But when you let the waters rise  
I'll remember you are still the God  
Who never leaves my side 'Cause I believe in miracles  
You can do the impossible

Every single heartbeat means  
There's a God who's in control  
And I know that I'm not alone  
Even when it's difficult  
Your love is all the proof I need  
You're the God who won't let go  
I believe in miracles  
I believe in miracles
