

# Is It Love

## Mr. Mister

I say I love you, I hold you near me  
You say I scare you, well, that's your fear  
I know the message my heart is sending  
But you don't read it, you keep me guessing  
Is it love, is it, is it love  
The broken record goes round and round  
Within a circle, without a sound  
I'm under water in overdrive  
You hide in laughter, what's on your mind  
Is it love, is it love you're after, why don't you tell me  
Is it love, is it, is it love  
Is it love, is it love you're after, why can't you tell me  
Is it love, is it really love  
Is it love, is it love you're after, why can't you tell me  
Hey girl, I got to know, is it really, really love  
Is it love, is it really love, hey  
Is it love, is it love you're after, why don't you tell me  
Is it love, is it really love  
Is it love, is it love you're after  
Everybody's lookin' for the magic love to come along  
And hope we'll find it  
Is it love, is it really love  
Come on, my baby, is it love  
Is it love, is it love
