Musiq Soulchild

Oh, when I think of you
I can't see you like
All the other girls
I knew that I didn't treat right
But then
There are times when I just need what I need, babe
And I know you can give it all to me So, how about...[Chorus]
We don't have to go
All the way, no (no)
But if you want
I still take you there
There (yeah)
There (uh huh)
Hey, baby, how about it?
We don't have to go (no) all the way no
But, girl, I'm sure you still can get me there
Hey (yeah)
Babe If only you knew
What I'm willing to do (for)
For a fair exchange, baby
From me to you
But I know
I know you've got your own reasons
For making me wait
And I know
(I know there's a way that)
We can free ourselves [Chorus] It's all right, you can
Admit that you want it (it's all right)
As bad as I
It's so natural
We all have our days and our sleepless nights
When we wanna get some
I just wanna get some
It's all right, you can
Admit that you want it (it's all right)
As bad as I
It's so natural
We all have our days and our sleepless nights
When we wanna get some

I just wanna get some
Hey, heyHey, heyHey, heyHey, hey
