

Nature Boy

Annie Haslam

There was a boy
A very strange enchanted boy
They say he wandered very far
 Very far
 Over land and sea
 A little shy
 And sad of eye
 But very wise
Very wise was he
Then one day
A magic day he passed my way
And while he spoke of many things
 Fools and kings
 This he said to me
 The greatest thing
 You'll ever learn
 Is to love
And be loved in return
Then one day
A magic day he passed my way
And while he spoke of many things
 Fools and kings
 This he said to me
 The greatest thing
 You'll ever learn
 Is to love
And be loved in return
