

# Trumpet Or Tap

[Biffy Clyro](#)

Time... once moved so slowly  
It moves much faster now  
It moves much faster now Find... a new way to rise  
Over in trouble now  
Over in trouble now Where are you at?  
Is it Trumpet or Tap?  
Are you glued to a wall?  
By this terrible snap?  
You know where the sinners are Life is much better when you let it all go  
If i could Id start over again  
Lets start over again  
Lets start again with a shrug on our shoulders Angels always start over again  
With a rude little mess  
They'll always be older than you and me I... will sing for three days  
To prove what you mean to me  
Prove what you mean to me Lie... to my little face  
Hard not to turn away  
Hard not to turn away Clowns are my cap  
Whores encourage the clap  
Living life on the road  
Got no need for a map It seems we are bouncing  
Calmly this will kill us all  
Dirt is much clearer If i could Id start over again  
Lets start over again  
Lets start again with a shrug on our shoulders Angels always start over again  
With a rude little mess  
They'll always be older than you and me Prove what i mean to you  
Show what i mean to you  
Can you just say it's true?  
Can you just say it's true? Prove what i mean to you  
Show what i mean to you  
Can you just say it's true?  
Can you just say it's true?
