Oh My God

Beth Ditto

At first when I saw you
Across the crowded room
You couldn't take your eyes off me
I couldn't take my eyes off you
But it really didn't catch me
Oh, first time I saw your face
Oh, I couldn't stand the chance
I was all over place
You got me thinkingOh my god
Oh, can't break loose
Oh, can't break free
You really got a hold on me
Oh my god
Oh, I can't control myself
Oh, can't break free
You really got a hold on me
I'm not superstitious
But I had a vision of usIt's in my nature to praise my love
I put a picture of
And I don't care
What anybody else thinks of me
'Cause if I can't have you
I'll go crazyOh my god
Oh, can't break loose
Oh, can't break free
You really got a hold on me
Oh my god
Ooh, I can't control myself
Oh, can't break free
You really got a hold on me
I'm not superstitious
But I had a vision of usHold me now
Oh, can't break loose
Oh, I can't get free
You got a hold on me, me
Oh my god
Oh, I can't control myself
Oh, I can't break free
You really got a hold on meOh my god

Oh, can't break loose
Oh, can't break free
You really got a hold on me
Oh my god
Ooh, I can't control myself
Oh, can't break free
You really got a hold on me
Oh my god
