

A Fool in Love

Whitesnake

I got a woman sweet Adrene
Best of woman I have ever seen
Gipsy blood runnin' through her vain
Lord have mercy now she's driving me insane
An' I got a woman, voodoo child
She drives me crazy, she drives me wild
She paint her lips, cat house graid
Lord have mercy drive me out of my head [Chorus]
I'm fallin' in love again
Play the fool again
Here I sit in my lonely room
Prayin' I won't get fooled again
A fool in love again
A fool in love again I got a woman a heart attack
Love me so hard lady blow my sky
She get down to the bone
Lord have mercy now I'm in the danger zone [Chorus] A fool in love again
Of love, not again [Guitar] I got a woman won't let me be
Lord have mercy she's so bad for me [Chorus] A fool in love again
A fool in love again
A fool in love again
Oh
Fakin' I won't get fooled again
