You Better Be Careful

The Golliwogs

(John Fogerty
Tom Fogerty)You better be careful girl you're all alone
You better be careful girl you're on your own
I see the tears begin there in your eyes
You better be carefull girl I'm telling yougirl a thing or two
Maybe I'll find the time some other day
You're gonna find out yes you will
That I don't need no one
Now You better be careful
You better watch your step girl your all alone
You better be careful girl you're on your own
Maybe I'll find the time some other day
