Ice Age

Denzel Curry

Told her it's an Ice Age
With a cold blooded nigga like me (I'm cold)
Tell that bitch I'm Rick James (Cold Blooded)
And a nigga really want a super freak I just wanna fuck
I just wanna smoke my blunt
I don't give a fuck about these bitches man
Cause they all want a nigga that stunt Let me tell you niggas about the game
Only get the pussy fuck a name
Bitches never really have a face unless she sucking on your dick
Putting jitts in the food chain
Blow up the pussy like Hussein
Bitch look at me crazy, like who sane?
Got fire, designer, I got the lighter, igniter
As I'm burning the back of the Mary Jane
Anakin Skywalker flame
Lord Vader kush surrounding my brain
Forizzle? homies with the shizzle my nizzle
Doper than nickels that sprinkle over the cane
Melissa is like my little thang
Most hoes, can't say the same
Piping the pussy and maybe biting the cookie
Honey love ain't shit but I just came
Jizz boss
Make her drink the cum sauce
Bring her ass to my world
But this might have her ass lost
Nowadays, pussy have a cost
Never let the devil in like Ross
Curry the killer, the nigga, call me Jizzila
Just keep it pimping, my nigga, so Jizzwalk
Kush smoke all I see
Eyes open, all three
Got her wetter than some Hi-C
On my golden dick, I'm icy
I got your whore so horny
Bring me anything that I need
She's a long dick addict
Prostitute her cause she love me bitch
Bitch I'm in need of that paper

Iced up as fuck, fuck equators
Heat that shit up, it vapor
Icy, stay icy, I quake her
Such a whore I cannot chase her
She bring that shit back as I make her
She fuck with my dollars, I'm making her holler
I beat that bitch up, yes I blaze her
Cold blooded and blooded debaser
L-E-A-Ning, no chaser
Is needed, I skeet on her face or
I'm proper, I fuck her, see you later
You bitch, erase her
Getting that ho out of here
She's nothing, don't need her
Always keep my pistol right here
