

Discovery Channel (remix)

Bloodhound Gang

Ha ha, well now, we call this the act of mating
But there are several other very important differences
Between human beings and animals that you should know about
I'd appreciate your input Sweat baby, sweat baby
Sex is a Texas drought me
And you do the kind of stuff
That only Prince would sing about So put your hands down my pants
And I'll bet you'll feel nuts
Yes, I'm Siskel, yes I'm Ebert
And you're getting two thumbs up You've had enough of two hand touch
You want it rough, you're out of bounds
I want to you smothered, want you covered
Like my waffle house, hash, browns Comin' quicker than Fed Ex
Never reaching apex like Coca Cola stock
You are inclined to make me rise an hour early
Just like daylight savings time You and me baby, aint nothin but mammals
So lets do it like they do on the Discovery Channel
You and me baby, aint nothin but mammals
So lets do it like they do on the Discovery Channel Love, the kind you clean up with a mop and bucket
Like the lost catacombs of Egypt
Only God knows where we stuck it
Hieroglyphics Let me be specific
I wanna be down in your south seas
But I got this notion that the motion of your ocean
Means small craft advisory So if I capsize on your thighs, high tide
B 5, you sunk my battleship
Please turn me on
Im Mr. Coffee with an automatic drip So show me yours, Ill show you mine
Tool time, youll love it just like Lyle
And then well do it doggy style
So we can both watch X-files You and me baby, aint nothin but mammals
So lets do it like they do on the Discovery Channel
You and me baby, aint nothin but mammals
So lets do it like they do on the Discovery Channel You and me baby, aint nothin but mammals
So lets do it like they do on the Discovery Channel
You and me baby, aint nothin but mammals
So lets do it like they do on the Discovery Channel You and me baby, aint nothin but mammals
So lets do it like they do on the Discovery Channel
You and me baby, aint nothin but mammals

So lets do it like they do on the Discovery Channel
