Ulver

The old man sings
In the face of fearThe circular mantra
Why are we hereThe audience is blind
To what takes placeIn the pillory
Life is a stageThe vertical lights of death
In codes of red and blue
Birds in black and white
And the drums of wwiiTattooed in numbers
Genocide is suicideWe are our own enemy
And the last judgement
Our children are hurting
In the final performanceThe newborn is still
The rest is silence
